To whom it may concern,

Finning International Inc. DBA The Cat Rental Store is set up to accept vendor invoices via email directly to the branch that incurred the charge (branch locations and emails are enclosed) with the following restrictions:

- Please choose either to email (our preference) or mail/courier your invoices.
- When emailing, include your company name in the subject line.

Note that ensuring the invoice is sent to the branch that placed the order/incurred the charge is imperative to efficient processing on our end.
