# Benefits of Renting

F R O M

## The Cat Rental Store®

### RENT. REDEEM. RELAX.

---

#### Where our customers go to relax.

Sun, sand and surf. The Cat Rental Store can help you get there.

As sponsor of the AIR MILES® Reward Program, we're offering 1 AIR MILES reward miles for every \$25 you spend on rentals. Whether you're renting from our wide range of Cat equipment, or from our major brands of tools and equipment, your AIR MILES rewards can quickly add up to the vacation of your dreams. So go ahead and RENT, REDEEM and RELAX with The Cat Rental Store today.

For additional information call your local branch office or ask one of our Rental Specialists.

*make it count™*

## EQUIPMENT SAFETY TRAINING

### Safety Training When and Where You Need It!

The Cat Rental Store offers a full line of Safety Training Services to assist with the training of your staff and ensuring corporate compliance. With the constant safety regulation changes in construction, commercial and industrial settings, it is important for the contractor to stay ahead. At The Cat Rental Store we understand how important compliance, due diligence and safety training issues are to employers. Our extensive list of programs follow the guidelines provided by the Manufacturer, WH&S-AB, WCB-OHS -BC, and CSA Standards. If you have a need for a program not listed, contact us and we can review custom programs for your specific needs. The benefit of having a properly trained, competent employee far outweighs the cost of a lost time or fatal injury.

#### Training Services:

- Aerial Work Platform Operator Certification
- Oil sands Safety Association Aerial program (OSSA-AWP) Accredited AWP training for the oil sands projects.
- Telescopic Handler Operator Certification
- Skid Steer Loader Operator Certification

#### Other Programs:

- Compact construction equipment familiarization
- Safe use of attachments and work tools for equipment
- Heating applications and heating equipment
- Load securing of mobile equipment

#### Employer Benefits:

- Fewer accidents
- Less damage to equipment, property and products
- Skilled and confident operators
- Meeting OH&S Code and Regulations
- Due diligence for supervisors

#### Employee Benefits:

- New skills and knowledge
- Greater familiarity and comfort level with the equipment
- Ability to operate equipment safely

Registration [trainer@catrents.ca](mailto:trainer@catrents.ca)  
or contact your local branch.

**Use It Right. Use it Safe.**

## MOBILE SITE SERVICES

### Temporary Branch Sites and Mobile Tool Cribs

#### Comprehensive Supply Capabilities

- Full range of Rental Tools and Equipment
- On Site Management of toolcribs
- Specialty Site Trailers tailored for your requirements
- Electronic Inventory/Billing Control on site
- Safety Training provided to on site operators
- Mechanical support services on site
- Extensive planning services available
- Certification/Repair of clients' tools and equipment
- Plant Services personnel trained in WHMIS, TDG, Confined Space Entry, Forklift Operation, First Aid, and more.

The Cat Rental Store is dedicated to providing specific equipment, tools, and services for routine and emergency maintenance:

- Thermal Plants
- Pulp & Paper Mills
- Chemical Plants
- Hydrostations
- Oil & Gas Refineries
- Mining

Contact any of our locations for more information on how we can help you with all your mobile site needs.

## SHUTDOWN/TURNAROUND INDUSTRIAL PROJECT SERVICES

The Cat Rental Store has a complete support network for your next shutdown/project. We can deploy an experienced team of professionals with years of experience for any size project. Our philosophy is based on finding ways to reduce the overall cost of the shutdown/project; experience and tight management controls all build toward this common goal.

### Safety Certified

- Accident Reduction Techniques
- COR (Certificate of Recognition)
- H2S Alive certified
- CSTS certified
- WHMIS certified
- TDG certified
- First Aid certified

### Process and Controls

#### PLANNING

##### Planning Impact

- Field level risk assessments and site preparation
- Safety awareness and training
- Establish KPI's (availability, pricing, equipment specifications)
- Pre-shut down checklist
- Budget goals and preliminary quotation

#### Equipment Evaluation and Planning

- Historical information to determine lists and equipment/tool reduction opportunities
- Operational Training
- Distribution of work team packages
- Evaluate potential emergent work issues

#### IMPLEMENTATION

##### Direct Impact

- Daily forecasting to scheduled budget
- Daily management updates on inventory and access
- Suspended or off-rent practices to reduce overall budget

#### Equipment Evaluation and Planning

- Tracking historical information to determine potential reduction opportunities
- Mechanical servicing and fueling
- Customer equipment management programs
- Identify tools/equipment for emergent work

#### FOLLOW-UP

##### Reporting Impact

- Equipment volume (units) relative to shutdown plan timing (days, project etc.)
- Total inventory usage reports by w.o., dept. or contractor
- Metered usage of motorized equipment vs. time rented
- Safety performance reports

#### Equipment Evaluation and Future Planning

- Historical information to determine lists and equipment/tool reduction opportunities
- Comparison of actual to planned expenditures

## WIRTANEN ELECTRIC DIVISION

The Wirtanen Electric Division of The Cat Rental Store offers all types of instrumentation and electrical apparatus, both for rent and for sale. A Rental Specialist is available to help you rent or purchase the right equipment for the job.

#### Services include:

- Instrument Calibration services
- Electrical Rental services
- Standard temporary power
- Transformers
- Electrical contractor tools
- Comprehensive repair facility
- CSA approved temporary power distribution panels

For detailed information please visit our website at [www.catrents.ca](http://www.catrents.ca) or call the Wirtanen Electric Division order desk directly at 1.866.285.5550 ext. 26.

# Levelers

## DG511 Pipe Laser

**The original and still the leader!**  
*Rugged, Reliable, repeatable. Widest automatic self-levelling range. 2 years parts & labour warranty Includes: DG511 pipe laser with RC501 3-button remote, NiMH battery pack, smart charger, 956 target and 8" invert plate*

## LL100-3 Laser Level Package

*Fully automatic, self-levelling Spectra Precision Laser LL100 sets a new standard in rugged reliability, handling a wide variety of general construction applications. 300m / 1,000ft range 1/8" @ 100ft accuracy, Manual Slope Capabilities with optional remote. Includes: Rod, Tripod, Receiver, System Case*

## AL24A Auto Level Package

*Designed for elevation control and Alignment tasks for general construction 24x magnification, air dampened compensator Metal Housing and water resistant Includes: Rod and Tripod*

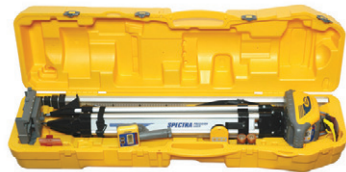

## LL300-3 Laser Level Package

*Accurate, easy to use and durable, Rugged design, 400m / 1,300ft Working diameter. Fully Automatic, Accuracy 3, @ 100ft. Manual Slope Capabilities with optional remote. Includes: Rod, Tripod, Receiver, System Case*

## HV101GC-3 Interior/Exterior Laser Package

*Tough, Highly Versatile Interior and General Construction Laser. Professional tool with an economical price. Horizontal, vertical and plumb applications. Minimum 100ft visible beam, 300m / 1,000ft range with receiver 1/8" @ 100ft accuracy. 3 year limited warranty. Includes: HR320 receiver, rod clamp, M101 wall mount, RC601 remote, 1176 ceiling target, laser glasses, Q104025 tripod, GR151 15' grade rod and system case*

## LL400-3 Laser Level Package

*Highly Accurate, easy to use and durable, Rugged design, 800m / 2,600ft Working diameter. Fully Automatic, Accuracy 1/16" @ 100ft. Manual Slope Capabilities with optional remote. Includes: Rod, Tripod, Receiver*

## GL412 Single Slope Laser Package

*Versatile Automatic Grade Lasers for Level, Grade and Vertical Alignment with Plumb. 600m / 2,000ft working diameter, accuracy 1/16" @ 100ft -10 to +15% grade range. Includes: Two Way Remote, HL700 Receiver, Batteries & Charger*

## BENDING

### CABLE BENDERS

Greenlee 796 Ratchet Cable Bender up to 500 MCM

Greenlee 800 Hydraulic Cable Bender c/w hand pump, 350 MCM through 750 MCM

### CONDUIT BENDERS - EMT

Greenlee 855GX Smart Bender EMT & Rigid Conduit Electric Conduit Bender for 1/2" to 2"

Current 77 Series Electric Bender EMT & Rigid Electric Conduit Bender for 1/2" to 2"

Greenlee 881CTD Multi-Purpose Bender for One Shot 90° Bends 2 1/2", 3", and 4" EMT, IMC and Rigid

Greenlee 882 Flip-top Bender 1 1/4" to 2" c/w Hydraulic Hand Pump

### CONDUIT BENDERS - RIGID

Greenlee 855GX Smart Bender EMT & Rigid Electric Conduit Bender for 1/2" to 2"

Current 77 Series Electric Bender EMT & Rigid Electric Conduit Bender for 1/2" to 2"

Greenlee 880 One-Shot Lightweight Bender c/w Hydraulic Hand Pump 1/2" to 2"

Greenlee 881CTD Multi-Purpose Bender for One Shot 90° Bends 2 1/2", 3", and 4" EMT, IMC and Rigid

Power source: 960/980: 120 VAC Electric Hydraulic Pump

Greenlee 885 Rigid Conduit Bender One-Shot and Segment Bender 1 1/4" to 4" One Shot Bends, 5" Segment Bends

Power source: 960/980: 120 VAC Electric Hydraulic Pump

Greenlee 1800 or Current 750 Mechanical Bender for 1/2", 3/4", and 1" IMC and Rigid Conduit

Greenlee 1801 or Current 751 Mechanical Bender for 1 1/4" and 1 1/2" Rigid and IMC Conduit

### BENDING SHOES

UPC No.	Size	DESCRIPTION
18764	1"	Ductile Iron Shoe 5-3/4" Centerline Radius
18743	1-1/4"	Ductile Iron Shoe 5-3/4" Centreline Radius
18745	1-1/2"	Ductile Iron Shoe 5-3/4" Centerline Radius
18747	2"	Ductile Iron Shoe 5-3/4" Centerline Radius
19504	2-1/2"	Ductile Iron Shoe 5-3/4" Centerline Radius
19504	4"	Ductile Iron Shoe 5-3/4" Centerline Radius

For Bending Schedule 40 - Double x

Use with 777, 880, 885 Benders - Bend up to 90° in one-shot

### BENDING TABLES

Greenlee 1813 or Current 281 Bending Table for Greenlee 881 CTO Bender

Greenlee 1802 or Current 280 Bending Table for Greenlee 885, 884, 880

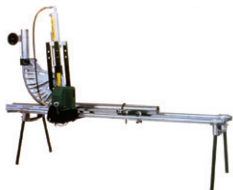

### CONDUIT BENDERS – PVC

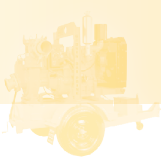

Greenlee 848 or Current 453 Electric PVC Heater/Bender with Motorized PVC Rotation for 1/2" – 6"

c/w Greenlee 859 or Current 460 PVC Plug Set 2" – 6"

Greenlee 849 or Current 450 Electric PVC Heater/Bender 1/2" through 2" PVC

Greenlee 851 Electric or Current 451 PVC Heater/Bender for 1/2" – 4", c/w Greenlee 859-4 PVC Plug Set 2" – 4"

## TUBING BENDER

¾"	02550	TUG 3
1"	06842	TUG 5
1¼"	02554	TUG 7
1½"	02556	TUG 9
1¾"	020525	TUG 11

Greenlee 782 Tubing Bender (includes one shoe group)

## ELECTRIC PUMPS

HAND OPERATED AND ELECTRIC HYDRAULIC PUMPS AVAILABLE

## CABLE PULLING

### CABLE PULLERS & KITS

Greenlee 6810 Ultra Cable Feeder - feeds cable at variable speeds to match speed of cable puller, easily operated by one person for multiple cables. Accommodates cable up to 3.5" in diameter.

88 Tugger, 8,000lb. Capacity

Current 8090 'Mantis' Mobile Cable Pulling Cart w/two Boom Sections - pulls up to 20' extra cable, 8,000 lb. capacity. c/w 88 Tugger

Greenlee 6800 Ultra Tugger Cable Puller With Standard Force Gauge & Floor Mount, 8000 lb. capacity

Greenlee 02846 Chain Mount (for use with Greenlee 6800)

Greenlee 6805 Ultra Tugger Cable Puller complete with Versi-Boom System and wheeled carriage, 8000 lb. pull c/w 6800 tugger

Greenlee 6001 Cable Puller Only, 6500 lb. pull

Greenlee 6006 Super Tugger Complete Puller Package c/w 6001 tugger

Greenlee 6037 Floor Mount for Puller 6001/8045 Current for 88

Greenlee 445 Foot Switch/Current 615-16

Greenlee 805 Fibre Optic Puller

Current 33 High Speed Cable Puller - 3,000 lb. capacity

\*sale item only

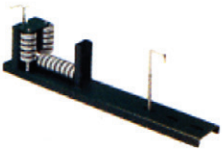

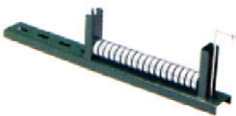

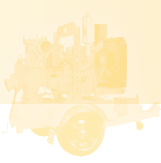

## CABLE ROLLERS AND SHEAVES

Greenlee 441-Feeding Sheaves for 3", 3½", 4", 5" and 6" Conduit

Greenlee 4024 Radius Cable Sheave or Current 12024	with 6 wheels, 24"
Greenlee 4036 Radius Cable Sheave or Current 12036	with 8 wheels, 36"
Greenlee 4048 Radius Cable Sheave or Current 12048	with 10 wheels, 48"
Greenlee 639 Right Angle Twin Yoke Sheave or Current 4424 (24")	24" Reels
Greenlee 650 Hook-Type Cable Sheave or Current 406	6"
Greenlee 651 Hook-Type Cable Sheave or Current 412	12"
Greenlee 652 Hook-Type Cable Sheave or Current 418	18"
Greenlee 653 Hook-Type Cable Sheave or Current 424	24"
Current 812 Hook Sheave, 8,000 lb. capacity	12"
Current 818 Hook Sheave, 8,000 lb. capacity	18"
Current 824 Hook Sheave, 8,000 lb. capacity	24"
Current 836 Hook Sheave, 8,000 lb. capacity	36"
Greenlee 658 Tray-Type Sheaves or Current 951TR	12"
Greenlee 659 Tray-Type Sheaves or Current 952TR	22"
Greenlee 6036 Triple Sheave Cable Guide or Current 333	
Greenlee 2018R Radius Cable Roller or Current 9518RR	for 12" - 18" Wide Tray
Greenlee 2024R Radius Cable Roller or Current 9524RR	for 20" - 24" Wide Tray
Greenlee 2030R Radius Cable Roller or Current 9530RR	for 24" - 30" Wide Tray
Greenlee 2036R Radius Cable Roller or Current 9536RR	for 30" - 36" Wide Tray
Greenlee 2018S Straight Cable Roller or Current 9518SR	for 12" - 18" Wide Tray
Greenlee 2024S Straight Cable Roller or Current 9524SR	for 20" - 24" Wide Tray
Greenlee 2030S Straight Cable Roller or Current 9530SR	for 24" - 30" Wide Tray
Greenlee 2036S Straight Cable Roller or Current 9536SR	for 30" - 36" Wide Tray
Greenlee 20249R Right Angle Cable Roller or Current 95024RA	24"
Greenlee 20369R Right Angle Cable Roller or Current 95036RA	36"
Greenlee 459 Light Base Sheave	

Note: Cable rollers come complete with J-Hooks

## PULLING GRIPS

Greenlee 629 Pulling Grip c/w rope clevis & fingers (2 short & 2 long)	Current 2500
Greenlee 39109 Rope Swivel Connectors/Current	Current 00505-030
Greenlee 39903 Rope Swivel Connectors/Current	Current 00522-035
Kellam Grips Current 00690 series, Heavy Duty with Rotating forged eye sizes for .50" through 5.00" diameter cable	

## PULLING ROPE

¾" in lengths of 300', 600', 1200' c/w 2 eyes 19,000 lb. tensile strength \*sale item only

\*other sizes available

## VACUUM/BLOWER

Greenlee 690 Combination Blower & Vacuum Fish System (mice and string consumables)	
Greenlee 607 String 1350'	90 lbs.
Vacuum Fishing System Accessories	available ½" - 4"

## CABLE STANDS & REEL JACKS

Greenlee 656 Ratchet Type Heavy Duty Telescoping Reel Stand or Current 680	58" to 90" Diameter Reel - 3750 lbs. Capacity
Greenlee 657 Spindle (for 656 Reel Stand) or Current 681	
Greenlee 683 Screw-type Telescoping Reel Stand or Current 670	46" to 96" Diameter Reel - 2500 lbs. Capacity
Greenlee 684 Spindle (for 683 Reel Stand) or Current 671	
Greenlee 687 Screw-type Telescoping Reel Stand or Current 660	28" to 56" Diameter Reel - 2500 lbs. Capacity

## STANDARD TEMPORARY POWER CENTERS

### I-LINE POWER DISTRIBUTION PANEL

I-Line Power Distribution Panels are designed for site power distribution capable of feeding Lighting Panels to Large Motors

- 400-1200 Amp 3 Phase, 600V Max
- Freestanding weatherproof (3R Rated) enclosure.
- Consult our office for breakers configuration and pricing.
- CSA Approved.
- Plug & Play options available.

**CABLE EXTRA**

### HV4, 6, 8 FREE STANDING HIGH VOLTAGE PANEL

The HV4, 6, or 8 is used in cases where 600 or 480 Volt distribution is required.

- Steel frame.
- Weatherproof (3R rated) construction
- Square D Visible Blade Disconnects for safety and reliability.
- 400 Amp splitter.
- Secondary Fuseable Disconnects c/w, cord ends as required.
- Available with four, six and eight fused disconnects.
- Various configurations are available upon request.
- CSA Approved

**CABLE EXTRA**

### 60SP SPLITTER STAND    60SP/100SP/400ST

The 100 Amp Splitter Stand is used for 1 to 2 distribution.

- 600V max
- Weatherproof (3R Rated) Splitter
- Two Fusible Disconnects will AR Receptacles if required
- Mounted on a freestanding steel frame
- Also available w/three 30 Amp Fused Disconnects:  
100A splitter w/ 2 60A Disc  
225A splitter w/ 2 100A Disc  
400A splitter w/ 2 200A Disc
- CSA Approved.

**CABLE EXTRA**

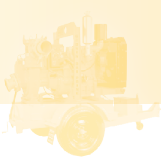

### 8 OUTLET LOW PROFILE HIGH VOLTAGE PANEL, 225 AMP (8 PACK)

8 Pack used in cases where 600 or 480 Volt distribution is required.

- Enclosure is of 16 gauge steel and welded construction
- 45"W x 34"H x 30"D, approximate weight is 200 lbs.
- Optional 200 Amp disconnect available
- c/w 60 Amp Breakers feeding 60 Amp AR 642 Receptacles.
- CSA Approved.

**CABLE EXTRA**

## 4-OUTLET LOW PROFILE HIGH VOLTAGE PANEL, 225 AMP (4 PACK)

**4 Pack** is used in cases where 600 or 480 Volt distribution is required.

- 400 Amp Common Bus with a 225 Amp Main Breaker.
- 4x60A AR 642 Receptacles.
- Camlock Series 16 feed through setup.
- CSA Approved.

**CABLE EXTRA**

## LV3 FREE STANDING LOW VOLTAGE PANEL - 3 PHASE

The **LV3** is designed to provide power for lighting and power tool use, and provide 600 or 480-Volt distribution.

- Steel frame
- Weatherproof (3R rated) construction 45 KVA or 75 KVA option available.
- 600 480V Primary, 120/208V Secondary
- 225 Amp / 4W Splitter
- Three 60 Amp Visible Blade Disconnects
- 60 Amp Transformer Disconnect
- 225 Amp Circuit Breaker Load Centre
- Twenty 15 Amp GFI Duplex Receptacles
- Various configurations available upon request.
- CSA Approved

**CABLE EXTRA**

## LV3-S

- Stackable design
- Same specification as LV3 but with two 60amp visible blade disconnects

## LV1 FREE STANDING LOW VOLTAGE PANEL - 1 PHASE

The **LV1** is designed to provide power for lighting and power tool use.

- Steel frame
- Weatherproof (3R rated) construction
- One 15 KVA (600 or 480 Volt Primary) Single Phase Transformer
- One 60 Amp Visible Blade Disconnect with AR642 Receptacles available
- One 100 Amp Distribution Panel
- Ten 15 Amp GFI Duplex Receptacles
- Two 30A 125/250-Volt Twist Lock Receptacles.
- Two 20A 125/250-Volt Twist Lock Receptacles.
- Various special configurations available upon request.
- CSA Approved

**CABLE EXTRA**

**WHEELS INSTALLED FOR EASE OF USE INDOORS**

## DOG SLEDS

The dogsled is designed to provide power for camp trailer distribution.

- Steel Frame
- Weather Proof (3R Rated) construction
- 75KVA & 150 KVA Options Available
- 600-480V Primary 120/208V Secondary
- Main Visible blade disc
- 225A Load Centre
- QO Breaker Installed as Required

\*Light-Duty Construction Models Available

## MINI-POWER CENTRE

In areas where size is a consideration or a limited number of receptacles are required, the **Mini** can be used.

- Steel-framed wheeled cart
- Weatherproof (3R rated) construction
- 10 KVA (600 or 480 Volt primary) Single-Phase Transformer
- Square D Visible Blade Disconnect
- Eight (8) GFI duplex Receptacles
- Various configurations are available upon request.
- CSA Approved.

### CABLE EXTRA

Comes standard with a 10' feed cable with APJ6485 cord end

## WELDER SPLITTER STATION

Weatherproof 100 Amp **Welder Splitter Station** mounted on a freestanding frame for welding distribution. When connected to a 600 or 480 Volt systems, this panel provides power to two welder units. The load centre component has 4 GFI protected receptacles that can be used to provide power for lights and tools.

- Weatherproof (3R rated) construction
- Two 60 Amp visible blade disconnects w/ AR642 Receptacals
- 4 Duplex Receptacles
- 4 GFI Breakers
- Transformer
  - 5 KVA Single Phase
  - Primary 480 or 600V
  - Secondary 120/240V
- CSA Approved

### CABLE EXTRA

## TABLE STYLE C PANELS (SINGLE PHASE OR 3 PHASE)

**C Panels** are designed for use where Construction Power Distribution is required.

- Using 120/208 Volt 3-Phase or 120/240-Volt Single Phase
- 15 Duplex GFI Receptacles for 120 Volt Distribution
- 100 Amp Main Breaker (Single Phase), 225 Amp load center (3 Phase)
- Steel construction and suitable for outdoor use.
- CSA Approved.

**AR'S AND CABLE EXTRA**

## PONY BOARDS

**Pony Boards** are used for construction power distribution. Available with Eight, Twelve and Twenty-Four circuit Receptacles.

- 120/240V Single or 120/208V Three Phase.
- Mounted on a freestanding steel frame.
- GFI receptacles.
- Weatherproof (3R Rated) construction.
- Various configurations available upon request.
- CSA Approved.

**CABLE EXTRA**

## SPIDER BOXES

**Spider Boxes** are used for satellite feeds. Available with Four circuit GFI receptacles.

- Compact design, with carrying handle mounted on top
- GFI Receptacles
- Weatherproof construction
- CSA Approved
- **INCLUDES** approximately 50' of cable

## OSCAR BOX

- Ericson 1066FS
- 125/250V 50A in/out
- 6 x 20A GFCI Duplex receptacles
- 1 x 30A 250V twist lock receptacles

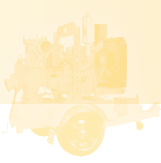

## TRANSFORMERS

### AIR COOLED TRANSFORMERS – LOW VOLTAGE –

- A. THREE PHASE - DELTA WYE**  
Primary Voltages: 480 & 600                      Secondary Voltages: 120 / 208  
Size Range: 15 - 750 KVA  
\* other Voltages and configurations available
  
- B. THREE PHASE - WYE AUTO TRANSFORMER**  
Primary Voltages: 480 - 600  
Size Range: 15 KVA - 1,000 MVA

Medium and High Voltage Transformers are available. For specific inquiries please call our office.  
Plug & Play option available.

Telephone #: \_\_\_\_\_ Fax: \_\_\_\_\_ Expiry Date: \_\_\_\_\_

### ALTERNATIVELY

The Cat Rental Store offers **Rental Equipment Coverage (REC)** on all Rented Equipment.

*REC limits your liability for Equipment Damages, based on the terms described on the Rental Contract.  
REC charges may be waived upon receipt of Proof of Insurance Coverage at the time of the Rental Contract.*

**ACCEPT REC**

Please Initial

**DECLINE REC**

Please Initial

*If Declined, Proof of Insurance must be attached.*

**If Proof of Insurance is not received, REC will be applied automatically to all rental contracts.**

## AGREEMENT TO TERMS OF CREDIT

**I / we hereby verify that the above information is correct. I / we understand and agree to honor the terms on which The Cat Rental Store grants credit. These terms are as follows:**

- 1.) Equipment rental rates are based on:
  - One Day equals 10 hours
  - One Week equals 7 days or 50 hours
  - One Month equals 4 weeks or 200 hours
- 2.) The Applicant agrees to pay for rentals and merchandise sales in full 30 days from invoice date.
- 3.) Overdue interest shall be charged on all overdue accounts at a rate of 1.5% per Month (18% per annum). The Cat Rental Store may change this rate from time to time without notice.
- 4.) Cheques should be made payable to The Cat Rental Store
- 5.) Your signature shall also be your consent to any credit reporting agency, bank, or other service to release information to The Cat Rental Store for purposes of extending a line of credit.

## AIR MILES Reward Program

If your company chooses to participate in the AIR MILES Reward Program, the following terms will apply:

- 1.) Rewards will apply to rental transactions only
- 2.) One AIR MILES reward mile is issued for every \$25 rental transaction (excluding taxes)
- 3.) Rewards are only issued to customers when the full invoice is paid within 45 days from issuance.
- 4.) Rewards are issued to cash and credit card accounts at time of rental return.

Go ahead...  
RENT. REDEEM. RELAX.

Some of our customers are sensitive as to how the benefits of participating in AIR MILES will be applied. To that extent, we are offering our customers several program participation options:

- 1.) Accumulate all AIR MILES reward miles in one Collector account, preferably under the name of the owner / president
- 2.) Accumulate all AIR MILES reward miles in a corporate Collector account
- 3.) Elect to not collect AIR MILES reward miles

Attached is an AIR MILES reward miles Acceptance Agreement, which we would ask that the president of a senior executive of your company complete and return to us. In this way, we can ensure to comply with your preferences as to how AIR MILES reward miles, attributed to your rental transactions with us, are applied.

### THE CAT RENTAL STORE - AIR MILES REWARD PROGRAM

#### Acceptance Agreement

\_\_\_\_\_ agrees to participate in and accept AIR MILES reward miles.  
(company name)

Any rewards should be credited to Collector Number \_\_\_\_\_.

\_\_\_\_\_ does not wish to participate in the AIR MILES reward program. No company employees may accept AIR MILES reward miles that may derive from rental transactions.  
(company name)

Signature of signing officer: \_\_\_\_\_ Print Name: \_\_\_\_\_

Title: \_\_\_\_\_ Email Address: \_\_\_\_\_  
(for verification purposes only)

**Note: No AIR MILES rewards will be issued without this signed acceptance.**
