# USED RENTAL EQUIPMENT SALE

**FINNING**

# MAXIMIZE YOUR EQUIPMENT INVESTMENT

Discover The Cat® Rental Store, your comprehensive rental solution for all your project needs. From essential tools to heavy-duty equipment, we've got you covered, ensuring you can accomplish any task efficiently. Conveniently situated across Western Canada, our stores boast an extensive selection of both Cat and non-Cat equipment, alongside reputable industry tools. Whether you require aerial work platforms, generators, hand tools, or trench shoring products, we have the solution for you.

We understand the importance of flexibility in pricing. That's why we offer equipment options at various price points, empowering you to maximize your investment's value. Explore our constantly updated inventory, although please note that availability may change daily due to rentals, repairs, or sales.

For those interested in purchasing from our rental fleet, visit [finning.com/usedrentalsale](https://finning.com/usedrentalsale) or reach out to our dedicated sales representatives. Please note that all equipment is sold as is, without remaining warranty, as outlined in our terms and conditions.

No matter the project's scale or complexity, The Cat Rental Store is dedicated to ensuring our customers' success. Get in touch today and experience the difference.
